Other Available Services

- **Custom Crush & Fermentation:** Our custom crush offerings include membrane pressing for whites, reds, and rosés and thermovinification for reds (hot press). We offer custom fermentation of a wide range of wines and ciders.
- **Lab Services:** We possess state-of-the-art equipment to offer a thorough analysis of wines and juices including an alcolyzer, densitometer, discrete analyzer, and spectrophotometer. We can help with pre-harvest, pre- and post-fermentation, pre-bottling, quality control analyses and testing for wine and juice chemistry.
- **Private Label & Co-Packaging:** Business-to-business private label services are available for a variety of our products. We can also custom bottle, can, or artificially carbonate & bottle your still wine, cider, and more.

Frequently Asked Questions

Q: Can I pick-up my bulk order?

A: Yes, juice must be picked up within 48 hours of crush/press. All other orders can be scheduled by emailing bulkwine@stjulian.com

Q: What is the minimum for bulk orders?

A: 110 gallons per product

Q: Can I use my own container for bulk purchases?

A: Yes. Containers must be clean and ready to fill, 100% seal-able and at least 100 gallons in size. We do not fill plastic drums or barrels. Additional fees will apply if cleaning is needed.

Q: How do I pay for my bulk order?

A: Check, ACH, & wire are preferred methods of payment. We also accept Visa, MasterCard and Discover but an additional rate will apply. A 50% deposit **MUST** be received prior to filling any order and due to Michigan law, the remaining balance of the order **MUST** be paid in full before the product leaves our facility.
