

Forbidden Fruit Hard Ciders are made from apples exclusively grown in Michigan. The apples are fermented on an as needed basis to ensure the freshest possible product, and cool fermentation preserves the purest essence of the fruit. The perfect balance of tart, crisp, and sweet, these ciders are so refreshing and delicious!

Available in 30 liter UniKegs.

Forbidden Fruit Tap Handle

WATERMELON

(Feb-Jun)

A deliciously sweet and bright hard cider bursting with flavors of watermelon and apple. Crisp and refreshing and perfect for enjoying on a hot summer day.

CIDER DONUT

(Jul-Sep)

This sweet cider is reminiscent of a freshly baked Sweetwater's Donut. An exclusive donut infused with this cider will be available at Sweetwater's Donut Mills in the fall!

GINGERBREAD

(Oct-Dec)

A cider perfect for the holiday season! Sweet flavors are complemented by cinnamon, ginger, and nutmeg. Pairs well with your holiday dinner or a freshly baked gingerbread cookie.
