Real Michigan Wines

St. Julian wines are made exclusively from grapes grown in the Lake Michigan Shore Appellation, one of the most fertile growing regions in the nation. This not only sets us apart from other wineries in the state, but has been a key to making us Michigan's most awarded winery.

As a Wine Club member, you'll not only gain premier access to these award winning wines, you'll also be invited to exclusive club events, receive special pricing and, of course, unparalleled service.

We invite you to join the Wine Club and savor the benefits.

Frequently Asked Questions

Q: Can I choose my own wines?

A: You may select the club you would like to be in, but not the exact wines. The Wine Club is designed to highlight limited edition products that are pre-selected for you by our President and winemaker.

Q: When will my Wine Club be ready?

A: Wine club allocations are automatically charged to your card on file every three months: Feb, May, Aug, & Nov. If you join between shipment months, you will receive the next upcoming shipment.

Q: Will I be notified before my Wine Club order is charged?

A: Absolutely! Approximately 3 weeks before each shipment is processed, you will receive an email to verify your account information, so please read your emails! This is the perfect opportunity to add wines to your order, make alternative delivery arrangements or gab with the Wine Club department about the wines.

Q: Do I need to be home to sign for my Wine Club shipment?

A: Yes. Federal Law requires that all wine shipments be signed for by an adult (21+). We recommend using a business address when possible.

Q: I would like to pick up my Wine Club. Is this an option?

A: Yes. You can select to pick up your wines in any of our tasting rooms. We just ask that if you would like to change your location, that you let us know. We will cellar your wines for up to 6 months, so there is no rush. You can pick them up at your convenience.

Q: Can I cancel at any time?

A: You are obligated for one shipment and we hope that you love it as much as we do! If, however, you feel the Wine Club is not right for your needs, you may cancel any time 30 days prior to the next shipment.
