

# CLASSICS THAT CONTINUE TO SOAR

A longstanding part of the St. Julian portfolio, **Blue Heron** and **Red Heron** have delighted generations of wine lovers. Crafted in a semi-sweet style, they showcase Michigan's cool-climate freshness and easygoing charm.

**Blue Heron** is a semi-sweet white blend with aromas of peach and citrus blossom, leading to flavors of pear and mango. Bright acidity and naturally low alcohol create a crisp, refreshing finish.

**Red Heron** is a semi-sweet red blend with aromas of cherry, grape jam, and candied fruit. Juicy strawberry and ripe berry flavors are lifted by a hint of citrus, while crisp acidity keeps it smooth and refreshing.
