

INSPIRED BY THE SHORE. CRAFTED FOR THE TABLE.

The Lake Michigan Shore appellation is one of Michigan's most distinctive growing regions, where cool breezes and tempering waters create ideal conditions for balanced wines. Our **Coastline** wines reflect this natural harmony with fresh fruit expression, bright structure, and easy drinkability.

Coastline White is a light-bodied, dry white blend with a crisp, refreshing profile. Aromas of honey and peach lead to flavors of apricot, green apple, and citrus. Vibrant acidity carries through to a clean finish that showcases the freshness shaped by the Lake Michigan Shore climate.

Coastline Red is a lightly oaked red blend that is smooth, dry, and approachable. Aromas of dark cherry and plum open into flavors of black raspberry, ripe cherry, and a hint of vanilla. Bright fruit and soft structure lead to a balanced finish reflective of the Lake Michigan Shore growing region.
