

CLASSIC STYLES. RICH FLAVORS.

End on a sweet note with two St. Julian classics. These distinctive dessert wines offer smooth, lingering character and an indulgent finish perfect for sipping, sharing, and savoring.

A classic port-style wine, **Catherman's Port** layers currant and black cherry with notes of caramel and chocolate. Smooth and full-bodied, refreshing acidity balances the sweetness for a long, lingering finish.

Crafted using the traditional solera method, **Solera Cream Sherry** is smooth and sweet with layers of complexity. Butterscotch and warm spice lead into flavors of hazelnut, almond, and caramel, with a lingering finish.
